

Make the switch to better business banking.

Simply contact us: we'll do the paper work for you, or you can complete it on your own. Just follow our three easy steps.

Step 1: New Account Information

This contains all the information that we will need to get started.

Step 2: Account Closing Letter

It's ready for you to fill in the blanks and sign; it notifies your current bank about the accounts you are closing and provides directions for disbursement of any remaining funds. If you have electronic bill payment at your previous bank, just bring us a list of your payees and we'll help you set them up on your First Southern Bank Bill Pay (BizPay).

Step 3: Automatic Payment Cancellation Letter

Sign this prepared form and send it to each of your vendors to switch your automatic payments so they will be deducted from your new First Southern Bank account.

Profit from the connection.
